

Quality Management System (QMS) Policy

Quality Policy Statement:

At Sintex Industries Limited, we are committed to delivering high-quality products and services that meet or exceed our customers' expectations. We strive for continuous improvement in all aspects of our operations, from design and development to production and delivery.

Our quality policy is built on the following principles:

1. Customer satisfaction: We prioritize our customers' needs and expectations, and we work to deliver products and services that meet or exceed their requirements.
2. Continuous improvement: We encourage a culture of innovation and continuous improvement, and we invest in the training and development of our employees to ensure they have the skills and knowledge needed to excel.
3. Employee involvement: We empower our employees to take ownership of their work and to identify opportunities for improvement. We recognize and reward outstanding performance and contributions to our quality efforts.
4. Process excellence: We design and implement processes that are efficient, effective, and aligned with our quality objectives. We continually monitor and evaluate our processes to identify opportunities for improvement.
5. Compliance: We comply with all relevant laws, regulations, and industry standards, and we maintain a robust quality management system that ensures our products and services meet the required standards.

By living these principles, we aim to deliver exceptional quality, reliability, and value to our customers, and to establish ourselves as a leader in our industry."
