

Annual Report 2010-11

## Forward-looking statement

In this annual report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and the underlying assumptions undergoing change. Should known or unknown risks or uncertainties materialise, or should underlying assumptions not materialise, actual results could vary materially from those anticipated, estimated or projected. Shareholders and Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Proposed dividend on equity shares	17.74	16.38
Tax on dividend	2.84	2.67
Balance carried to balance sheet	1157.00	888.60
Total	1246.16	947.87

## Financial performance

Your Company reported another strong performance this year as it extended its presence into value-added business verticals and strengthened its market position in existing businesses - delivering superior value to its stakeholders.

Gross turnover grew 29% from ₹2,103.56 crore in 2009-10 to ₹2,718.74 crore in 2010-11, due to a significant increase in existing business volumes. While all business segments contributed to your Company's growth, the key growth drivers were monolithic construction and civil infrastructure.

The EBIDTA grew 37% from ₹476.83 crore in 2009-10 to ₹654.76 crore in 2010-11, facilitated by growing sales volumes, increased project delivery and a thrust on value-added business segments.

Your Company registered a 31% growth in profit after tax to ₹357.56 crore in 2010-11 against ₹273.70 crore in 2009-10. Cash plough back into the business grew 33% from ₹425.51 crore in 2009-10 to ₹567.93 crore in 2010-11 – providing an adequate cushion for funding initiatives to capitalised on emerging growth opportunities.

The earning per share stood at ₹13.19 (basic) and ₹13.19 (diluted) in 2010-11.

## Dividend

Your Company always maintained a prudent balance between its need to reward shareholders with its need to grow business for delivering superior returns to shareholders over the medium-term. Considering the sizeable capital-intensive projects on the anvil, your Directors are pleased to recommend a dividend of ₹0.65 per equity share on a face value of ₹1 each on 27,29,90,866 equity shares, fully paid up as on March 31, 2011 (previous year ₹1.20 per equity share of face value of ₹2 each on 13,64,95,433 equity shares), and any further equity shares that may be allotted by your Company upon the conversion of FCCBs prior to book closure date for 2010-11. This dividend will be paid subject to the approval of shareholders at the forthcoming Annual General Meeting.

The dividend payout, if approved by members will be ₹17.74 crore, while ₹2.84 crore will be paid by the Company towards dividend tax and surcharge on the same. Dividend in the hands of the shareholders will be tax-free.

## Business review and divisional performance

Your Company registered an overall improved performance in 2010-11, where all business verticals and sub-segments grew at a robust pace. A detailed discussion of your Company's operations is given elsewhere in this annual report under 'Management discussion and analysis report.'

### A) Plastics division

Plastics division, the critical growth driver of your Company grew at 31% from ₹1,666.93 crore in 2009-10 to ₹2,180.43

crore in 2010-11, strengthening its significance for the Company - it accounted for 83.35% of your Company's revenues in 2010-11 against 82.91% in 2009-10. It also vindicated your Company's philosophy of creating products and solutions around areas that impact the essentials for the common man, and those that are high on the government's priority list.

The monolithic construction segment reported a massive increase for the third successive year, emerging as the flagship business vertical in the plastics division. Other significant contributors included prefabs, water storage solutions and custom moulded products (including SMC products). Your Company also introduced novel products and solutions which strengthened the 'Sintex' brand recall and grew market share in key business verticals. In 2010-11, your Company established a strong presence in creating water distribution and sewerage collection infrastructure.

**Monolithic construction:** This business registered a stellar performance – larger order execution and increased business volumes, enlarging the already huge order book. Your Company also extended its presence in a larger number of states for providing low-cost housing solution through this technology – opening huge opportunity windows over the coming years. More importantly, your Company received large business from other segments, namely the security forces and police departments.

**Prefabs:** Your Company grew this business vertical by tapping into opportunity pockets from the health and education segments which are high on government priority, for which sizeable funds were allocated. Your Company's products received numerous approvals from different states in 2010-11, expanding business opportunities in coming years. Your Company also created prefab structures for the defence forces across diverse geographies.

**Building products:** Your Company focused its energies on strengthening its presence in plastic doors – aggressive marketing through unique schemes and promotional programmes with satisfying results. Your Company also launched sandwich panels specially designed for roofing application, interior partitions, and high-altitude structures which were well received. Your Company marketed sizeable volumes of sandwich panels to successfully set-up warehouses across diverse Indian terrains – showcasing product suitability for cold chain applications, high on government priority.

**Water and liquid storage:** Water tanks, the Company's flagship brand, maintained its growth and expanded its presence across geographies with greater reach in rural and semi-urban markets, maintaining a dominant position. Your Company introduced a number of new sub-brands, segregating the water tank market into smaller segments – enabling it to cater to a wider customer range and facilitate increased penetration. Your Company re-launched its underground tank range which was successfully installed in a number of locations.

**Sub-ground structures:** Your Company made significant progress in this business vertical which comprised manhole structures, covers and packaged water treatment solutions – these products received approvals from a number of state government authorities and private clients, generating sizeable revenue for the Company in 2010-11. This segment is expected to register a robust growth over the coming years largely due to the increased government thrust on pollution management, consequent to growing urbanisation.

**Custom moulded products:** This business segment registered a significant growth largely due to product customisation to suit niche applications. Besides, your Company successfully developed numerous products for diverse sectors, catering to both global and domestic customers. Some products were under advanced stages of approval which should open new growth opportunities.

In the energy segment, your Company built upon its long and healthy business relationship with the electrical sector for marketing its enclosures with a special focus on distribution and feeder-pillar boxes to capitalise on opportunities emerging from the modernisation of the T&D segment of the energy value chain.

Your Company received business from leading OEM namely, John Deere, M&M, Cummins and BEL among others, for specialised and customised products. Besides, a number of products were also approved by leading Indian and multi-national brands, which is expected to yield sizeable revenues over the coming years.

## **B) Textiles division**

The textile division grew by a significant 27% on the back of robust demand from international clients. The domestic business also registered a sizeable increase in business volumes. Your Company strengthened its position in women's wear and home furnishing segments through a wider product basket, generating increased business volumes. During the year, your

Company added a number of renowned fashion labels to its client list, opening new opportunity windows. Your Company created a robust retail network for marketing ready-to-stitch fabric, primarily catering to rural and semi-urban markets. Your Company is working towards strengthening its infrastructure through sophisticated equipment which will improve product quality and machine productivity to capitalise on growing opportunities.

## Subsidiaries

During the year under review, M/s. Bright AutoPlast Private Limited, a wholly-owned subsidiary was converted into a Public Limited Company with a new name - M/s. Bright AutoPlast Limited, and Sintex Oil & Gas Limited ceased to be the Company's subsidiary.

## Performance of subsidiaries

Your subsidiaries registered a robust performance – revenue and profit after tax grew 46% and 85% respectively. More importantly, their contribution to the consolidated revenue increased from ₹1,271.09 crore in 2009-10 to ₹1,859.18 crore in 2010-11; the contribution to the bottomline strengthened from 4.3% in 2009-10 to 5.5% in 2010-11.

### 1) Zep Infratech Limited (Formerly known as Zeppelin Mobile Systems India Ltd.)

The Company shifted its focus from being just a telecom infra Company to a holistic infrastructure Company, due to a melt down in the telecom sector. The Company plans to leverage its existing capability and competence to take advantage of the huge potential in the infrastructure sector.

The new business focus areas would be – infrastructure/civil projects, telecom products and services, prefabs made of PUF panels, PEB structures and cold chain management.

Cold chain management will be a huge opportunity for the Company, as it is becoming a matter of national interest with almost 42% of agricultural production in India being perishable items. The government also laid thrust on developing new cold chains by providing full exemption on excise duties.

### 2) Bright AutoPlast Ltd.

The Company performed exceptionally well – higher volumes, new businesses, new customers and new capacities – resulted in a 44% topline growth and an improvement in margins in 2010-11 over the previous year.

Our business with Schneider performed extremely well. This resulted in other electric companies showing serious intent in

partnering with us – primarily customers of Nief who also have manufacturing bases in India. In the automotive segment, volumes from existing clients increased and new customers opened multiple growth opportunities.

We created a new unit – Chennai 3 – dedicated to electrical customers which commenced operations in April 2011. This allowed us to grow our client base in this vertical. Additionally, we strategised in setting up greenfield facilities proximate to automotive hubs to capitalise on the huge demand from the automotive segment. We are also looking to enter the commercial vehicle segment – multiplying our growth opportunities.

### 3) Wausaukee Composites Inc.

Your Company bought out our partner's stake in Wausaukee, making it a 100% subsidiary of Sintex. This was necessary for our accelerated growth in the US. What we also need to remind shareholders is that for Wausaukee, there were issues related to the wind energy business, but otherwise Wausaukee doubled in size, post our acquisition. The returns were also significant.

In 2010-11, we started prototyping products for a number of new customers, volumes are expected to flow in the current year. Your Company is also focused on expanding its manufacturing footprint in the US through inorganic initiatives, as we realise that the custom moulding business is region and customer-centric – you need to be at the right place with the right client.

### 4) Nief Plastics SAS

Nief performed very well this year with a topline growth of 23-25% and margin growth from 11 to 13%.

At Nief, contributions from the automotive segment that was 65% at the time of acquisition was 45% last year and this year it is 40%. This year 40% of Nief's business was from auto, 30% from electrical, 20% from aerospace and medical and 10% from others.

Nief's acquisition of Simop (moulding unit) and Sicmo (moulds and tools making unit) gave the Company access to three new customers – plastic products for doormatix, personal care products and modem making companies.

Nief also expanded operations in East Europe (Hungary and Slovakia) and North Africa (Tunisia and Morocco) to take advantage of low production costs, leading to its overall optimisation.

In 2010-11, the Company also introduced a new process called 'machining of plastics' (machines cut plastics in required shape), for manufacturing medical equipment.

#### 5) Sintex Infra Projects Ltd

The Company enabled Sintex to establish a strong foothold in the Infrastructure space. The Company successfully delivered various infrastructure projects in the field of construction of airports, road and land development, construction of industrial plants, developing commercial and residential complexes, among others. With good management skills and demonstrated execution capabilities, the Company has a healthy order book.

In 2010-11, your Company acquired 30% ownership of Durha Constructions Private Limited (DCPL) at an investment of ₹42.21 crore. DCPL is engaged in the civil and mechanical construction in diverse infrastructure sectors including power, petrochemicals, cement from medium to large projects for private and public sectors clients – key projects include Delhi International Airport, Hyderabad International Airport, Indraprastha Power Station, among others. It has an impressive client base comprising large corporates, namely, BHEL and L&T.

#### Employee stock option scheme

The shareholders of the Company approved of its employee stock option plan (Sintex Industries Limited Employees Stock Option Scheme 2006) in February 2006. This ESOPS is administered by the Sintex Employee Welfare Trust on the basis of recommendations of the Compensation Committee of the Board. In terms of the plan, the Company periodically granted stock options to eligible employees. The Company will conform to the accounting policies specified in the guidelines as amended periodically. The details of the scheme are set out in Annexure 1 of this report.

#### Changes in equity share capital

During the year, each equity share of ₹2 each was sub-divided in to 2 equity shares of ₹1 each.

#### Directors

In accordance with the requirements of Section 256 of the Companies Act, 1956 and the Articles of Association of the Company, Shri Ramnikbhai H. Ambani, Smt. Indira J. Parikh and Dr. Rajesh B. Parikh retire by rotation, but being eligible, offer themselves for reappointment.

For the kind perusal of the shareholders, a brief resume of each of them, the nature of their expertise and the name of the companies

in which they hold directorships and the details of membership of the committees of the Board are enclosed. Your directors recommend their appointments.

#### Fixed deposits

Your Company did not float any deposit scheme.

#### Listing of shares and securities

The names and addresses of the stock exchanges where the Company's securities are listed are given below:

- The National Stock Exchange of India Ltd., Exchange Plaza, Plot No. C-1, G Block, IFB Centre, Bandra Kurla Complex, Bandra (East), Mumbai - 400051
- Bombay Stock Exchange Limited, Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai - 400001
- Ahmedabad Stock Exchange Ltd., Kamdhenu Complex, Panjrapole, Ahmedabad - 380015
- Singapore Exchange Securities Trading Limited, 2 Shenton Way, # 19 – 00 SGX Centre 1, Singapore - 068804. (FCCB'S US\$ 225 million)
- Bombay Stock Exchange Limited (Wholesale Debt Market), Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai - 400001 (NCD INR 250 crore & NCD INR 350 crore)

The Company paid listing fees to all the above stock exchanges for 2011-12.

#### Corporate Governance report

Your Directors adhered to the requirements set by the Securities and Exchange Board of India's Corporate Governance practices and implemented all the stipulations prescribed.

A separate Corporate Governance Report is furnished as a part of Directors' Report and the Certificate from the Company's Statutory Auditors regarding compliance with the conditions of Corporate Governance is annexed to it.

Your Company complies with the provisions related to Corporate Governance as per Clause 49 of the Listing Agreement. Your Company is also in the process of implementing the Corporate Governance Voluntary Guidelines, 2009 issued by the Ministry of Corporate Affairs, Government of India in December, 2009.

#### Directors' responsibility statement

To the best of their knowledge and belief and based on the information obtained by them, your Directors make the following

statement in terms of Section 217 (2AA) of the Companies Act, 1956:

1. That in the preparation of the annual accounts for the year ending March 31, 2011, the applicable accounting standards have been followed and there have been no material departures.
2. That the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period.
3. That the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities.
4. That the annual accounts for the year ending March 31, 2011 have been prepared on a going concern basis.

### **Consolidated financial statements**

The Central Government vide General Circular no. 2/2011 under no. 5/12/2007/CL-III dated February 8, 2011 has granted general exemption to the companies from attaching the annual accounts of the subsidiary companies, subject to compliance of certain conditions as given in the said circular.

Your Company is presenting in the annual report the consolidated financial statements of holding Company and all subsidiaries duly audited by the Statutory Auditors, complying with all other conditions, the annual accounts of the subsidiary companies are not attached, with this annual report.

Further, the annual accounts of the subsidiary companies and the related detailed information will be made available to any member of the Company/its subsidiaries at any point of time. The annual accounts of the subsidiary companies will also be kept for inspection by any member of the Company/its subsidiaries at the registered office of the Company and that of the respective subsidiary companies.

### **Conservation of energy, technology absorption, etc.**

A statement containing the necessary information required under the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is annexed to this report as Annexure 2.

### **Particulars of employees**

The information required as amended under section 217(2A) of

the Companies Act, 1956, read with Companies (Particular of Employees) Rules, 1975, forms part of this report as Annexure 3. However, as permitted by section 219(l) (b) (IV) of the Companies Act, 1956, this annual report is being sent to all shareholders excluding the said Annexure. Any shareholder interested in obtaining the particulars may obtain it by writing to the Company Secretary at the registered office of the Company.

### **Insurance**

All the insurable interests of the Company, including plant and machinery, stocks, loss of profits, standing charges and insurable interest are adequately insured.

### **Auditors**

M/s. Deloitte Haskins & Sells, Statutory Auditors of the Company, retire and being eligible, have indicated their willingness to be re-appointed. The observations made in the Auditor's Report are self-explanatory and do not call for any further comments under Section 217 of the Companies Act, 1956.

### **Cost accounting records**

As required under the order made by the Central Government, the Company is maintaining necessary cost accounting records with respect to cotton textiles.

### **Acknowledgements**

Your Directors thank the Company's valued customers and various government, semi-government and local authorities, suppliers and other business associates, vendors, as well as the various banks for their continued support to the Company's growth and look forward to their continued support in the future also.

Your Directors place on record their appreciation of the contribution made by the employees at all levels across the Company towards the efficient working and operations of the Company. Last but not the least, the Board of Directors wish to thank the investors and shareholders for their unstinted support, co-operation and faith in the Company.

On behalf of the Board,

Date : April 30, 2011  
Place : Ahmedabad

Dinesh B. Patel  
Chairman

# Annexure 1 to the Director's Report

## Disclosure pursuant to the provisions of SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999

Details of the grants as on March 31, 2011

a. Total number of options covered under the plan	10,00,000
b. Total number of options granted	10,00,000
c. Pricing formula	An exercise price of ₹45.85 per equity share shall be payable by an employee pursuant to the ESOP Scheme.  The employee can opt for conversion of the options by applying to the Trust by a written notice during the exercise period, in a specified format accompanied by payment of the exercise price and all applicable taxes. Such notice is required to be provided by the employees to the Trust not less than 30 (thirty) days before the exercise of the options by the employee.
d. Vesting schedule	All options granted on any date shall vest at the expiry of 36 months from the date of the grant
e. Options vested	6,63,500
f. Options exercised	38,500*
g. Options lapsed	Nil
h. Variation of terms of options	No terms of the ESOP scheme have been varied.
i. Money realised by exercise of options	38,500 option where exercise during the period under review and realised ₹35,30,450 be exercise of option
j. Total number of options in force	9,61,500
k. Person-wise details of options granted to:	
i) Directors	10,000
ii) Key managerial employees	9,90,000
iii) Any other employee who received a grant in any year of options amounting to 5% or more of options granted during that year	Nil
iv) Identified employees who are granted options, during any one year equal to or exceeding 1% of the issued capital (excluding warrants and conversions) of the Company at the time of grant	Nil
l. Diluted earnings per share	On exercise of option during the period under review there is no dilution earning per share
m. Weighted average exercise price	An exercise price of ₹45.85 per equity share shall be payable to the ESOP Scheme.
n. Weighted average fair value of options	Not applicable
o. Description of method and assumptions used for estimating fair value of options	Not applicable

\* Consequent upon sub-division of the each equity share of the Company from ₹2 per equity share into 2 equity shares of ₹1 each, the employees of the Company eligible for equity of the Company under Sintex Industries Limited Employees Stock Option Scheme, 2006 (ESOP 2006) be entitled to 2 equity share of ₹1/ each, on exercise of option under the said Scheme, at an exercise price of ₹45.85 per equity share, as stated in the said scheme.

# Annexure 2 to the Directors' Report

## Information required under Section 217(1)(e) of the Companies Act, 1956

### 1) Conservation of Energy

#### a) Energy conservation measures taken:

##### Textile Division:

- 1) In the yarn dyeing division, an overhead water tank was installed. Prior to this, water was supplied through a pump, which ran for 10 hours continuously. After the installation of an overhead tank, this pump is no longer used.
- 2) Condensate water from yarn dyeing machine is taken back into system for re-use, resulting in cost savings.
- 3) Modifications were carried out on the pipe line at the old ETP plant. Earlier effluent was pumped to the Central Effluent plant through two pumps (50HP and 40HP). Post the modification, usage of the 40HP pump was eliminated resulting in significant energy saving.
- 4) The supply and exhaust fans of the Humidification plants were converted into FRP and tuned for optimum operation reducing power consumption.
- 5) For the supply of raw water, a submerged pump was installed, which utilises less power compare with the earlier centrifugal pumps.
- 6) In the softening plant, borewell water was supplied by two centrifugal pumps, which was then converted into one submerged pump, reducing power consumption.
- 7) Process water is supplied by an overhead tank and due to a fixed pressure, leakages and consumption is reduced.
- 8) Condensate water from the CRP plant was generated back to the reservoir for reuse.
- 9) The use of surface aerator fans at the effluent treatment plant was reduced 25% to save power.
- 10) The blower fan used in the effluent treatment plant is staggered for optimum use

##### Plastic Division:

- 11) During the year under review, several modifications were made in the moulding machines to increase production with the same levels of energy inputs. This is expected to reduce energy consumption. Several measures were undertaken to reduce energy consumption in the other manufacturing departments.

#### b) Additional investments and proposals, if any, being implemented to reduce consumption of energy

- 1) In the textiles division, by replacing high-efficiency ring frames, power consumption reduced and productivity increased.
- 2) In the textiles division, staffy-made yarn dyeing machines were replaced with fully- automatic Gofront-made yarn dyeing machines, which are more energy-efficient
- 3) In the plastics division, we plan on installing energy-efficient burners and light fittings in the entire plant.

#### c) Impact of the measures (a) and (b) above for reduction of the energy consumption and the consequent impact on the cost of production of goods

- 1) In the textile division, quality production is achieved by saving a considerable amount of power
- 2) The above mentioned measures resulted in energy saving and a subsequent reduction in energy costs, reducing production costs
- 3) In the plastics division, the impact of energy saving devices will be peripheral in the beginning. However, it will be substantial if the entire programme is implemented.

#### d) Total energy consumption and energy consumption per unit of production with respect to the Company's products

Details are provided in Form A annexed hereto.

### 2) Technology Absorption

#### e) Efforts made in technology absorption

- a) In the plastic division, we were able to assimilate and develop products based on the technology of Containment Solutions, USA in the field of underground tanks, manholes, wet wells, among others
- b) We developed several package type waste water treatment plants and septic tank models to address problems related to wastewater treatment at the site in a decentralised manner through technical collaboration with M/s. Aqua Nishihara Corporation Ltd, Japan.
- c) We also developed appropriate technologies and techniques for windows, doors, SMC products, among others

Details are provided in Form B annexed hereto.

### 3) Foreign exchange earnings and outgo

- f) Activities relating to exports, initiatives taken to increase exports, development of new markets for products and services and export plans

In the textile division, the Company obtained "OEKO TEX" Standard 100 Certificate for its eco-friendly products, certified by TESTEX, Switzerland. Ongoing initiatives are undertaken to explore new markets and widen product reach, through regular meetings with customers and participation in exhibitions. These initiatives enhanced the competitiveness of our products in the global market.

#### g) Total foreign Exchange used and earned

(₹ in crore)

	2010-11	2009-10
i) Foreign Exchange earned including direct exports.	38.56	40.34
ii) Foreign Exchange used	43.05	84.91

## FORM - A

### Form for disclosure of particulars with respect to consumption of energy

	Current Year	Previous Year
<b>A) Power and Fuel Consumption</b>		
<b>1. Electricity:</b>		
a) Purchased: Units (lacs)	270.84	243.60
Total Amount (₹ lacs)	1647.71	1373.79

Units (lacs)	514.30	508.53
Units per SCM of Gas	3.52	3.13
Cost/Unit (₹)	5.42	5.32
<b>2. Furnace Oil: (Qty. Kilolitres)</b>	468.68	1853.59
Total Amount (₹ lacs)	116.99	385.92
Average Rate (₹ / litre)	24.71	20.82
<b>3. Others:</b>		
a) Natural Gas		
Quantity Consumed in M3	5859.77	6321.50
Total cost (₹ lacs)	500.41	291.53
Rate/Unit (1000 m3) (₹)	8539.80	4611.70
b) RLNG Gas		
Quantity Consumed in (000) SCM	14593.14	8352.67
Total cost (₹ lacs)	2789.61	1391.56
Rate/Unit (000 SCM) (₹)	19115.88	16660.00
c) L.P.G.		
Quantity consumed (in lacs kgs)	31.37	34.57
Total cost (₹ in lacs)	1461.82	1319.25
Rate/unit (Kgs.) (₹)	46.60	38.16

	Standard	Current Year	Previous Year
<b>B) Consumption per unit of production:</b>			
<b>1. Electricity (Units)</b>			
Textile			
a) Fabrics on production meters basis	No Specific standard as such The consumption per unit depends On the Product Mix	2.16	2.84
b) Yarn (per kg)		4.92	4.90
Plastic containers (per kg)		0.57	0.56
Plastic section (per kg)		0.90	0.89
Sheet moulding (per kg)		0.58	0.58
Thermoforming		2.77	1.47
<b>2. Gas consumption</b> (Textile – on production mtr. basis)		0.71	0.77
<b>3. Others:</b>			
a) Gas (M3)			
(Textile on production meters basis)		0.10	0.13
Plastic containers (Per kg)		0.22	0.21
Plastic sections (Per kg)		0.02	0.01
b) L.P.G.			
Plastic containers (Per kg)		0.25	0.24

The variation in consumption in power and fuel was due to a different product mix between current and previous year.

## FORM - B

### Form for disclosure of particulars with respect to absorption of technology, research and development

<b>Research and Development (R &amp; D)</b>	
1. Specific areas in which R & D carried out by the Company	Prefab shops, prefab houses, kiosks, modular toilets, portable toilets, underground water tanks, underground petroleum tanks, septic tanks, package type wastewater treatment systems, bamboo houses etc.
2. Benefits derived as a result of the above R & D.	Plastics Division developed various technologies and techniques in the field of plastics for the manufacture of above products.
3. Future plan of action	Plastics Division will continue to work on the improvement of major products as well as develop specialised applications on existing processes.
4. Expenditure on R & D	
a) Capital	Nil
b) Recurring	
c) Total	
d) Total R & D expenditure as a percentage of total turnover.	
<b>Technology absorption, adaptation and innovation.</b>	
1. Efforts, in brief, made towards technology absorption, adaptation and innovation.	Efforts are made to improve cost-effective technology for productive and quality improvement.
2. Benefit derived as a result of the above efforts e.g. product improvement, cost reduction, product development, import substitution etc.	The Plastics Division introduced a number of new products and opened up new areas of business.
3. Information regarding technology imported during the last five years.	Not applicable.

# Management's Discussion and Analysis

## Indian economy

India's GDP grew at a healthy 8.5 % in 2010-11 against 8.0% in 2009-10. This growth was largely due to a significant growth in the agriculture sector at 5.4% (0.4% in 2009-10); the services and industrial sectors maintained their previous year growth momentum. The accelerated growth in the industrial sector in the first half of 2010-11 at 10.2% was hit by instability in the capital goods segment in the second half of 2010-11.

The confidence in the Indian growth story was witnessed in the record FII inflows in the economy and the revival in domestic investor confidence which helped the Indian stock market regain pre-crisis record levels. Net capital inflows increased US\$ 13.7 billion to reach touch US\$ 36.7 billion as on March 31, 2010; foreign exchange reserves grew US\$ 20 billion to cross the US\$ 300 billion threshold – at about US\$ 305.49 billion.

Trade deficit expanded from US\$ 120.5 billion in 2009-10 to US\$ 132 billion as imports outpaced exports in absolute numbers. What is heartening is that export growth at 31.6% in 2010-11 surpassed growth in imports at 22.6% – highlighting the growing acceptance of the 'Made in India' tag. If a similar trend continues over the coming years, we can expect the trade deficit to decline.

Even as the macroeconomic numbers displayed a strong performance, they were marked by significant volatility evident not only in the numbers but also in the sentiments primarily driven by the global clues and policy responses to cater to inflation.

The headline inflation witnessed a relentless rise during the first half of 2010 and remained in double digits for almost five months of 2010. The uneven monsoon during 2009, domestic supply side constraints coupled with the rising international prices of food grains pushed the prices of primary food articles, which eventually drove inflation in the manufacturing goods and service sectors.

## Snapshot

Industry	2010-11	2009-10
Agriculture, forestry and fishing	5.4%	0.4%
Mining and quarrying	6.2%	6.9%
Manufacturing	8.8%	8.8%
Electricity, gas and water supply	5.1%	6.4%
Construction	8.0%	7.0%
Trade, hotels, transport and communication	11.0%	9.7%
Financing, insurance, realty and business services	10.6%	9.2%
Community, social and personal services	5.7%	11.8%

(Source: Prime Minister's Economic Advisory Council, PMEAC)

## Indian plastic industry

In the last two decades, the plastics industry in India has grown significantly to meet the ever-increasing demand from various user sectors. The Indian plastic industry maintained a healthy growth rate of 15% with a turnover of about ₹25,000 crore, capital investment of about ₹35,000 crore and production (inclusive of all types of processed plastics) of 8 million tonnes. India has about 22,000 plastic processing units with a total production of nearly 3.7 million tonnes and a consumption of 3.4 million tonnes. It currently exports US\$ 5.3 billion of finished plastic goods, which reflects a 15 per cent growth over last year. As a result, India's per capita consumption of plastics increased from 6 kgs in 2009 to 8 kgs in 2010 – significantly lower than the global average of 27 kgs – highlighting a huge growth opportunity over the coming years.

## Advantages of plastics

- Chemically inert
- Safe in contact with food and medicine
- Attractive and colourful
- Low maintenance
- Light weight
- High strength to weight ratio
- Non corrosive
- Durable
- Cheap
- Flexible
- Good thermal insulator
- Can be given any shape or size

## Outlook

The Indian plastics industry is expected grow to ₹1,33,245 crore by 2015, positioning India as the third-largest plastics consumer up from the eighth position currently. The per capita plastics consumption at 8 kgs is expected to reach 20-25 kgs over the same period.

## The Company and its performance

Sintex occupies a unique position in the Indian plastics processing sector – a concept creator. The Company offers a wide range of plastic products including storage solutions, prefabricated and monolithic structures, custom moulded products for both consumer and industrial segments and interior products. It was also presented with the prestigious Dun & Bradstreet Award, following several decades of pioneering efforts.

The plastics business registered a robust growth in 2010-11 from ₹2,938.01 crore in 2009-10 to ₹4,039.61 crore in 2010-11. This growth was largely due to a superior performance by the

monolithic construction division, the prefab and the custom moulding segments – the major contributors to the division's growth. Though the contribution of the plastics business in the consolidated revenue remained stable at 90%, the EBIDTA from the plastics business grew 37% from ₹557.00 crore in 2009-10 to ₹764.54 crore in 2010-11 – with its increased contribution to the consolidated EBIDTA to 19.38% in 2010-11.

### Strategic developments, 2010-11

- Acquired 30% of Durha Constructions Pvt. Ltd. which will strengthen its execution capabilities for its low cost housing segment and establish a presence in other infrastructure verticals.
- Acquired the remaining 17% stake in Wausaukee Composites Inc. to make it a 100% subsidiary of Sintex, enabling the Company to take aggressive steps for expanding business operations to capitalise on opportunities.
- Created a new business vertical in the infrastructure for undertaking large water distribution and liquid waste management projects
- Renamed Zeppelin Mobile Systems India Ltd. to Zep Infratech Ltd. to positioning it as an infrastructure player and provider of related services.
- Initiated capital-intensive projects – setting up new manufacturing facilities on a pan-India basis to strengthen product availability, market share and profitability.

### Developments in plastic business

The MCC and custom moulding segment continues to be the major growth driver for the Company. In 2010-11, the Company's plastics business recorded a growth of 30%, contributing 84% to the gross turnover as compared with 83% in 2009-10.

#### A. Building materials division

As the name suggests, this segment comprises the monolithic construction and prefab segments and other products related to housing including its flagship water tanks. The monolithic construction is the critical business segment in this division contributing to the lion's share of revenue and profits.

#### Monolithic concrete constructions

The team delivered a number of projects in 2010-11, the prestigious among them being the government-funded Delhi low-cost housing project. More importantly, the Company made in-roads into new geographies namely Pune, Pondicherry, parts of Rajasthan and Uttar Pradesh in 2010-11. It received a large low-cost housing project near Lucknow. The Company is also moving up the value chain in a number of

ways:

- Undertaking housing projects for middle-income group (MIG), high-income group (HIG)
- Increasing its exposure to housing projects from housing boards, defence, police and the private sector
- Increasing its business volume by undertaking G+7 housing projects as against G+4 projects built earlier – highlighting its strengthening execution capabilities

The Company's acquisition of Durha Constructions Pvt. Ltd. will significantly strengthen its realty development capabilities and will allow the Company to establish a meaningful presence in other infrastructural projects. What is heartening is that despite delivering a larger number of projects, the Company's order book swelled between the end of 2010-11 and the end of 2009-10 – reflecting the increasing acceptance of this pioneering technology by a larger section of decision makers.

The Company working to emerge as a real estate developer, constructing houses on its own land in Rajasthan – a first-time initiative for the Company -- enabling it to chart new business models, leveraging the enactment of the new housing policy in the state. Additionally, it is also in the process of exploring different business models such as foraying into joint development agreements.

#### Prefabricated structures

The Company's prefab business is approved in 17 states -- active business in 15 states. Despite a slowdown in BT shelters for the second successive year, the Company's prefab business generated sizeable business.

Increased cost of traditional construction due to a steep increase in the price of steel, cement, labour enabled the Company to demonstrate the economic benefits along with the technical superiority of prefab construction.

The Company aggressively and successfully marketed its products for developing health and education infrastructure, in rural and hilly reach areas where conventional construction is not possible. The Company established its presence in the North-East by creating educational and health infrastructure. Prefabs were also used as check posts and shelters in diverse geographies. The Company is also developing a new business segment which will accelerate prefab business growth, which should see the light of day in the current year.

#### Water tanks

Water tanks are the flagship products of the Company, making the Sintex brand synonymous with water storage in

Indian households. The Company is the market leader in this product category. To strengthen its market share in this vertical, the Company undertook the following initiatives:

- Created seven tank variants differently branded for household water storage to cater to the entire spectrum of probable customers – ensuring that it has a water tank for every aspiration.
- Aggressively pursued marketing of niche value-added products namely large-sized underground tanks, extra-large surface and loft tanks for industrial applications and to government agencies.
- Initiated the expansion project at Namakkal (South India), Boti Bori (West) and Nalagarh (North), to increase saleable volumes and reduce operational and logistics costs.
- Introduced cutting-edge blow moulding and roto moulding technologies, resulting in high productivity and optimised production costs.

#### **Interiors**

This vertical comprised factory-made doors windows and large panels to replace laminates and plywood. The Company worked to strengthen its presence in these product categories through the various measures:

- Introduced multiple door variants -- new surface finishes and designs -- to meet diverse customer requirements
- Initiated a new customer category – marketed the factory-made doors to government agencies and used in government-initiated slum rehabilitation projects
- Introduced various designs and finishes in the plastic sections to generate increased volumes; expanded the distribution network to reach out to remote demand pockets, initiated carpenters training programmes to explain the benefits of using large boards, as a value-proposition against laminates and plywood
- Leveraged business relations with high-end realty developers for growing volumes for its factory-made windows

#### **Sub-ground structures**

Sub-ground structures generally comprise pollution management products and include manholes along with covers, septic tanks and packaged waste water treatment systems.

Manholes: The Company's manholes structures and covers found increasing acceptance among government authorities -- Goa, Gujarat, Maharashtra and Uttar Pradesh approved of this product in 2010-11. As a result, sales volumes increased significantly during 2010-11. The Company also successfully

marketed its product to the private sector road and highway builders – an opportunity which is expected to drive volumes over the coming years. Product approvals from corporates are expected in the current year.

**Septic tanks:** Growing liquid pollution generation due to urbanisation, and industrialisation and the inadequate and out-dated pollution management infrastructure of the Government, has created a huge demand for storage solution for liquid waste. The Company's septic tanks gained wide acceptance from government agencies due to its non-corrosive nature and its underground application, resulting in space saving. In 2010-11, this product received an approval from a number of government agencies.

**Packaged waste water treatment solution:** As an extension of its septic tanks, the Company introduced unique decentralised packaged waste water treatment solutions for diverse applications in rural, semi-urban and urban locations. These units are space, energy and cost-efficient, treated water from these units can be used for agriculture, horticulture or gardening applications.

They were successfully marketed in Kerala, Karnataka, Gujarat and outskirts of Delhi. Interestingly, the treated water from these systems can be used for all purposes other than human consumption – which could go a long way in reducing fresh water consumption. This product vertical is expected to emerge as a business over the coming years, considering the government's thrust on water conservation, recycling and waste management.

#### **Environment products**

This business segment provides products for solid waste management to the municipal authorities of various cities and towns. The products include storage boxes of various sizes for diverse applications, push carts, dumpers and containers. The Company successfully received sizeable orders from the Kolkata and other neighbouring municipalities, Chennai and Madurai municipalities.

#### **B. Custom moulding division**

As the name suggests, this business division works closely with its customers to customize unique solutions. While the product development cycle is long, the revenue visibility is longer and profitability significantly higher than most product verticals in the building products segment.

#### **Industrial containers, pallets and FRP tanks**

Industrial containers: Increased industrial activity increased the demand for industrial containers significantly, growing business volumes for the Company. To accelerate its growth, the Company implemented the following measures:

- Created a strong team with field and channel partners for aggressive marketing
- Customised containers for usage in the textile, pharmaceutical and chemical sectors

**Pallets:** Increased production volumes in all industries, improved material handling systems by most corporates, greater application reliance on the hub-and-spoke distribution model for a pan-India presence and larger warehousing needs is growing the need for pallets on a pan-India basis. To capitalize on this opportunity, the Company strategised and implemented the following:

- Successfully expanded its opportunity canvas by marketing pallets to the automotive, engineering, warehousing and power sectors among others.
- Created diverse product variants specialised for diverse sectoral applications – for example heavy duty pallets for heavy engineering segment, food and fisheries segment etc.
- Secured approvals from CWC and FCI, major pallet buyers in India.

**FRP tanks:** To grow its sales volumes, the Company intelligently marketed these products to non-oil dispensing Company – generating improved volumes. Additionally, IOC approval for the Company's FRP tanks was extended to its fuel dispensing stations across India (earlier restricted to the coastal area dispensing stations only). The Company launched underground chemical tanks factories – saving precious land. The double-walled underground tanks come with a state-of-the-art alarm system which prevents disaster in case of leakage.

#### SMC products

Sintex manufactures tamper proof SMC meter boxes, enclosures for meters, polymeric insulators and cross arms for

power transmission grids which forms an important part of the domestic custom moulding business.

Sintex expanded its reach on a pan-Indian scale and executed contracts for various power sector utilities in Tamil Nadu, Andhra Pradesh, Chhattisgarh, Delhi, Rajasthan and Madhya Pradesh.

Its products received acceptance in Gujarat, Maharashtra, UP and Karnataka.

Sintex leveraged its existing customer base consisting of both state electricity boards and private power-generating companies to tap new opportunities in the transmission and distribution of electricity.

#### Insulated boxes, intermediate bulk containers

The Company altered its marketing strategy to promote insulates boxes as part of cold chain solution – a new

government thrust area – especially in rural location which do not have access to electricity. The insulated business with large corporates namely Coke, Pepsi and ice-cream manufacturers sustained its pace.

#### Custom moulding for OEMs

The Company developed a number of

products to its custom moulded basket for large and globally respected corporates. During the year, the Company analysed its processing capabilities to identify new opportunities which could be tapped. In doing so, the Company developed custom moulded products for cooling towers, stand-by batteries, electrical and switch gear application, packaging, auto components, generator sets, among others. Key developments in 2010-11 in the OEM business include:

- Generated sizeable business volumes from BEL for customised containers; commenced business volumes with Rafael, an Israeli Company for customised missile carrier boxes
- Developed a box for packaging enclosure for batteries for Nokia, the global telecom giant which was approved

### Sandwich panels to emerge as a large product vertical

The Company positioned its sandwich panels as a pre-requisite for coal chain management post the government approval for walling and roofing application. Hence, these panels are expected to become the backbone of future cold storages in India. The Company is working market these panels as

mainstream walling, partitioning and roofing materials. ECBC)-2007 (Energy Conservation Building Code) evolved by the government is expected to become mandatory for real estate creation which is expected to generate huge demand for sandwich panels in new buildings to comply with ECBC code.

- Developed customised enclosures for large corporate brands namely L&T and Crompton Greaves which is at various stages of approval
- Developed a packaging tray for alloy wheel hub for the automotive sector which is expected to deliver sizeable volumes going forward
- Developed a battery container for Tudor, a large brand in the battery space
- Grew business volumes with the automotive sector namely Holland and M&M for fuel tanks and Asian Motor Works for mud guards
- Scaled business volumes with Schneider (through its 100% subsidiary Bright Auto), also commenced business volumes with a second client of Nief (another 100% Sintex subsidiary) in India through Bright Auto
- Received new business from brand enhancing clients namely Gammon, Tata BP Solar, among others.
- Entered into tie-ups with Daichi (products to cater to Genera Motors), Hi Mac (products for car interiors) and Faurecia (interior and exterior car products).

## Exports

The Company introduced new products in existing markets and entered newer geographies to grow its export business. In 2010-11, the Company entered the US and West Indies and is looking to make in-roads into some Asian and African geographies.

## Future strategy

- Commission the greenfield capacities and strengthen its distribution network to reach increased volumes to the consumers
- Upgrade technologies to optimise operational costs and improve productivity and quality
- Develop new products and variants for new geographies, new clients and increase its application to newer sectors.
- Develop new marketing models for products and solutions to increase their offtake

## Indian Textile industry

The Indian textile and clothing market is currently pegged at US\$ 55 billion. It accounts for 14% of the total industrial production in India and accounts for 4% of the country's GDP. The textile sector in India recorded a growth of 7.5% in 2010-11 with about 17% of the country's export earnings. The cumulative exports figure from April-January 2010-11 reached ₹39,787 crore.

The sector attracted a cumulative FDI investment of US\$ 861.26

million between April 2000 and August 2010. In the recent budget, the government earmarked ₹3,000 crore for the Technology Upgradation Fund scheme (TUFs). The reduction of customs duty from 7.5% to 5% on certain textile intermediates will provide assistance to textile companies.

During April 2010 and February 2011, manufacture of cotton textiles grew 10.3% in 2010-11 as compared with a 5.2% growth in 2009-10.

Overall, the production of textile fabrics increased by 1.9 per cent during April-October 2010-11. This is a moderate performance when compared with the robust increase of 8.8 per cent during 2009-10. The decline in textile fabrics/cloth during the current financial year, was on account of comparatively lower growth rates in the production of mill, power loom and hosiery segments.

## India's cotton scenario

India is the second-largest producer and consumer of cotton in the world after China. It accounts for about 22% or 5.6 billion kg of the total world cotton production in 2010-11. The yield for cottons in India increased from a mere 300 kg/hectare in 2003 to 500kg/hectare currently. In India, cotton accounts for nearly 60% of the total fibre consumption. (Source: Confederation of the Indian Textile Industry, CITI)

## Total production, consumption and trade in cotton (Million bales)

Cotton year (1st Oct-30th Sep)	Production	Imports	Exports	Consumption
2006-07	28.0	0.5	5.8	23.2
2007-08	30.7	0.6	8.8	23.7
2008-09	29.0	1.0	3.5	22.9
2009-10	29.5	0.7	8.3	25.0
2010-11	32.9	0.5	5.5	27.5

## Outlook

The global per capita fibre consumption is expected to grow steadily in the long-term up to 11-12 kg per capita by 2025, which means additional fibre consumption of about 20 million tons will be required. It is expected that the global textiles and apparels industry would grow at a CAGR of 6.3% in the next 8-10 years to reach US\$ 1 trillion by 2020.

The Indian textile and clothing market is expected to touch a US\$ 100 billion mark by 2015 from its current size at US\$ 55 billion. The textile and apparel exports market in India is expected to register a CAGR of 8% and 12% respectively to reach US\$ 22

billion and US\$ 21 billion respectively by 2015. The domestic textile and apparel demand is expected to register a CAGR of 10% to each US\$ 57 billion.

The 2010-11 union budget is sensitive to the needs of textile industry and will continue to provide the textile industry with a conducive policy environment to facilitate its growth, augment R&D efforts, and encourage innovation with a view to enhance productivity. The budget focuses on upgradation of technology, manufacturing processes and the development of human resources for this industry.

According to Mr. T. Kannan, the Chairman, CII National Committee on Textiles, increasing labour and wage costs is expected to dull China's competitive edge in the global textile trade. China currently accounts for 25% of the global textile industry and a drop of even 2-3% in its demand will provide a huge opportunity for India.

#### **The Company and its performance**

Sintex is a leading manufacturer of value-added textiles, marketing its products under the 'BVM brand'. The Company manufactures yarn-dyed structured fabrics for men's high-end structured shirting fabrics, yarn-dyed corduroy and ultima cotton yarn-based corduroy. It also develops fabrics for ladies wear.

The textiles business registered a robust growth in 2010-11 from ₹343.63 crore in 2009-10 to ₹435.53 crore in 2010-11. This growth was largely due to strong demand from the domestic and international markets, consequent to the revival in advanced economies. Despite the significant business growth, its contribution to the consolidated revenue declined marginal. The entry into textile retail through its ready-to-stitch products contributed significantly to business revenue. EBITDA from the textiles business grew 49% from ₹68.87 crore in 2009-10 to ₹102.69 crore in 2010-11.

#### **Sintex's developments, 2010-11**

- Outsourced grey fabric for further processing in-house to suit client requirements to meet the growing demand
- Created a pan-India retail chain for its ready-to-stitch products.
- Modernised the manufacturing facility with sophisticated equipment for superior quality and higher productivity

#### **Developments in the textile business**

- Increased focus on yarn dyed products, added new finishes like teflon finish, stain guard, dura white, stay black, brushing finish, peaching finish, airo soft finish and nono care finish to its fabric for discerning clients

- Strengthened its presence in the furnishing business
- Added new clients to the existing customer base – domestic clients added include Soham Fashions, Mangla Apparels, Tex Fab, Saajan Textile and international clients include Tropical Garments, Ringhart, Mayoral, Esprit and Textil Renaue.
- Initiated sales of women's shirting fabric to Esprit for the first time – strengthening the business vertical

#### **Future strategy**

- Establish a retail presence in Tier-II and III cities for its ready-to-stitch products.
- Capacity expansion and identification of new buying houses to increase revenues.
- Increase sales volumes of women wear fabrics
- Advertising and branding exercise to spread awareness of the BVM products in the domestic markets
- Establish relations with additional buying houses for strengthening its international business.

#### **Risk management**

Sintex's risk mitigating initiatives is a result of its detailed risk management framework that comprises prudent norms, structured reporting and control. The risk management approach conforms to the Company's strategic direction, in line with shareholders' desired total returns, the Company's credit ratings and its desired risk appetite.

#### **Human resources**

Sintex's culture encourages a continuous learning environment, with result oriented meritocracy. During the year under review, the Company's employee strength touched 3,485 people. The management is actively engaged in imparting functional and attitudinal training to employees for improving productivity; other initiatives comprised a regularised recruitment process as well as a fair and unbiased performance appraisal system with an inbuilt feedback system. During the year under review, the Company created a compensation structure that provided members with tangible and intangible benefits.

#### **Internal controls and audit**

At Sintex, stringent internal control systems and procedures checked the unauthorised use of products, ensuring optimal resource utilisation. The Company conducted regular and extensive checks at every stage of its production and dispatch cycle to ensure strict operational and quality compliance. An Audit Committee, headed by a Non-Executive Independent Director, periodically reviewed audit observations.

# Corporate Governance Report

## Compliance with Corporate Governance guidelines Company's philosophy

Sintex Industries Limited has always practiced Corporate Governance of high standard over the last few years. The Company's policy on Corporate Governance is to make it a way of life by, inter alia, adopting superior standard of Corporate Governance practices through continual improvement of internal systems and satisfaction of employees, customers, stakeholders and society.

Corporate Governance aims at fairness, transparency, accountability and responsibility in the functioning of the Company with the ultimate objective of realizing and enhancing shareholders' values. The Company's philosophy on the code of Corporate Governance is tuned to these aspects and to the philosophy of Sintex Group, which is:

- To ensure that adequate control systems exist to enable the Board of Directors ("Board") in effectively discharging its responsibilities to all the stakeholders of the Company;
- To ensure that the decision making process is fair and transparent;
- To ensure the fullest commitment of the Management and the Board for the maximisation of stakeholder value;
- To ensure that the employees of the Company subscribe to the corporate values and apply them in their conduct; and
- To ensure that the Company follows globally recognised corporate governance practices.

### 1. Board of Directors

The Board of Directors guides, directs and oversees the

management and protects long term interests of all stakeholders including but not restricted to shareholders, employees and the society at large.

#### • Composition

The Board of the Company has an optimum combination of Executive Directors and Non-Executive Directors. The Non- Executive Directors include independent professionals.

The Board comprises of the Chairman, the Vice-Chairman, three Managing Directors and six Non-Executive Independent Directors. Out of the total strength of eleven Directors, six Directors are independent. Thus your Company has taken all necessary steps to strengthen the Board with optimum combination of executive and non-executive/ independent directors.

Independent Directors are those who apart from receiving sitting fees, does not have any pecuniary relationship or transaction of the Non-Executive Directors vis-à-vis the Company.

#### • Meeting and attendance

## 2. Code of Conduct

The Company has formulated and implemented a Code of Conduct for Board Members and Senior Management Personnel of the Company which is also posted on the website of the Company.

Requisite annual affirmations of compliance with the respective Codes have been made by the Directors and Senior Management of the Company.

## 3. CEO Certification

A Certificate from the CEO/Managing Director in terms of Clause 49 (V) of the Listing Agreement relating to Annual Financial Statements was placed before the Board.

## 4. Audit Committee

### • Composition, meeting and attendance during the year

The first and foremost objective of the Audit Committee is to translate the Company's overall objectives and the associated responsibilities into an action plan. It acts as a link between the management, the statutory auditors and the internal auditors and the Board of directors and oversees the financial reporting process. During the year under review, the Audit Committee met four times on April 30, 2010; July 12, 2010; October 11, 2010 and January 13, 2011 to deliberate on various matters. The details of composition and attendance by the Committee members are as follows:

Name of Audit Committee member	Chairman/ Member	Category	No. of meetings attended
Ashwin Lalbhai Shah	Chairman	I and N.E.D.	4
Rooshikumar V. Pandya	Member	I and N.E.D.	4
Dr. Rajesh B. Parikh	Member	I and N.E.D.	4
Amit D. Patel	Member	M.D.	4

The Company Secretary acts as a Secretary to the Committee.

The composition of the Audit Committee meets the stipulated minimum requirement of independent directors. The Audit Committee also invites at its meetings, senior executives including Company Secretary, President (F & A – Plastics), General Manager (F & A – Plastics), General Manager (F & A- Textile), Statutory Auditors and Internal Auditors. The quorum for the meetings of Audit Committee is either two members or one third of the members of the audit committee whichever is higher with a minimum of two independent directors.

### • Terms of reference

The constitution of the Audit Committee meets all the requirements of Section 292A of the Companies Act, 1956 as well as amended Clause 49 of the Listing Agreement. The Board of Directors has approved the following terms of reference for the Audit Committee

- Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible.

- Recommending the appointment and removal of external auditor, fixation of audit fee and also approval for payment for any other services.
- Reviewing with the management the annual financial statements before submission to the Board, focusing primarily on:
  - Matters required being included in the Director's Responsibility Statement for inclusion into the Board's report in terms of clause (2AA) of Section 217 of the Companies Act, 1956.
  - Any changes in accounting policies and practices.
  - Major accounting entries based on exercise of judgment by management.
  - Qualifications in draft audit report.
  - Significant adjustments arising out of audit.
  - The going concern assumption.
  - Compliance with accounting standards.
  - Compliance with Stock Exchange and legal requirements concerning financial statements.
  - Any related party transactions i.e. material transactions of the Company, with promoters or the management, their subsidiaries or relatives that may have potential conflict with the interests of the Company at large.
- Reviewing, with the management, the quarterly financial statement before submission to the Board for approval. Also reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter.
- Reviewing, with the management, performance of external and internal auditors and the adequacy of internal control systems.
- Reviewing the adequacy of internal audit function, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure, coverage and frequency of internal audit.
- Reviewing with management, Management Discussion and Analysis of financial condition and results of operation.
- Discussions with internal auditors any significant findings and follow up thereon.
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal

control systems of a material nature and reporting the matter to the Board.

- j) Discussions with external auditors before the audit commence, about the nature and scope of the audit as well as have post-audit discussions to ascertain any area of concern.
- k) Reviewing the Company's financial and risk management policies.
- l) To look into the reasons for substantial defaults in the payment to the depositors, debentures holders, shareholders (in case of nonpayment of declared dividends) and creditors.

#### 5. Remuneration Committee

- **Composition, meeting and attendance during the year**  
During the financial year ended on March 31, 2011, the Remuneration Committee met on April 30, 2010.

Name of Remuneration Committee member	Chairman/ Member	Category	No. of meetings attended
Ashwin Lalbhai Shah	Chairman	I & N.E.D.	1
Ramnikbhai H. Ambani	Member	I & N.E.D.	1
Rooshikumar V. Pandya	Member	I & N.E.D.	1

The Company Secretary acts as the Secretary to the Committee.

- **Terms of reference**

The Board of directors of the Company had constituted the Remuneration Committee on January 24, 2002. The broad terms of reference of Remuneration Committee are as follows:

- a) To determine & recommend to the Board the remuneration packages of the Chairman, the Vice-Chairman and the Managing Directors.
  - b) To determine and advise the Board for the payment of annual commission/compensation to the Non-Executive Directors.
  - c) To appraise the performance of the Managing Directors.
- The remuneration policy of the Company is aimed at rewarding performance, based on review of achievements on a regular basis.

#### • Remuneration of Directors

- i) The Company pays remuneration to its Chairman, Vice Chairman and Managing Directors by way of salary, perquisites and allowances (a fixed component) and commission (a variable component). Salary is paid within the range as per the Schedule XIII of the Companies Act 1956 as approved by the members. The Board on the recommendations of the Remuneration Committee approves the annual increments. The Board fixes a ceiling on perquisites and allowances as a percentage of salary. Within the prescribed ceiling, the perquisite package is recommended by the Remuneration Committee. Commission is calculated with reference to the net profits of the Company in a particular financial year and is determined by the Board of Directors at the end of the financial year based on the recommendations of the Remuneration Committee, subject to the overall ceiling as stipulated in Section 198 and 309 of the Companies Act, 1956.

Details of remuneration paid to the Chairman, the Vice - Chairman and the Managing Directors are as given below:

(Amount in ₹)

Name of the Director	Designation	Salary	Perquisites	Commission	Total
Dinesh B. Patel	Chairman	62,70,000	63,61,242	1,50,00,000	2,76,31,242
Arun P. Patel	Vice Chairman	62,70,000	61,93,246	1,50,00,000	2,74,63,246
Rahul A. Patel	Managing Director	52,80,000	50,69,211	1,50,00,000	2,53,49,211
Amit D. Patel	Managing Director	52,80,000	50,96,295	1,50,00,000	2,53,76,295
S.B. Dangayach	Managing Director	50,04,288	52,67,251	75,00,000	1,77,71,539

- ii) The Company had granted 10,000 stock options on November 30, 2007 to Mr. S. B. Dangayach who is the Executive Director of the Company. During the year, on vesting and exercise of options, the Company has granted 20,000 Employee stock of ₹1 each to him.

The Chairman Mr. Dinesh B. Patel, Vice Chairman Mr. Arun P. Patel and Managing Directors Mr. Rahul A. Patel and Mr. Amit D. Patel being the promoters of the Company have not been granted any stock options in compliance with the SEBI Guidelines.

Non-Executive Directors are entitled to sitting fees for attending meetings of the Board and/or Committee thereof, the limits for which have been approved by the Remuneration Committee. The sitting fee is presently

₹10000/- for each meeting of the Board and/or Committee thereof. No other payments are made to Non-Executive Directors towards remuneration.

The detail of sitting fees paid to the Non-Executive Directors during the financial year ended on March 31, 2011 are as follows:

Name of the Director	Sitting fees (₹)
Ramnikbhai H. Ambani	50,000
Ashwin Lalbhai Shah	1,30,000
Rooshikumar V. Pandya	90,000
Indira J. Parikh	30,000
Dr. Rajesh B. Parikh	90,000
Dr. Lavkumar Kantilal	40,000

- **Service contract, severance fee and notice period**

The appointments of the Chairman, the Vice Chairman and the Managing Directors are governed by Articles of Association of the Company and the Resolution passed by the Board of Directors and the Shareholders of the Company.

No separate Service Contract is entered into by the Company with the Chairman, the Vice Chairman and the Managing Directors, with those elevated to the Board from the management cadres, who already have a prior service contract with the Company.

There is no separate provision for payment of severance fee under the resolutions governing the appointment of the Chairman, the Vice Chairman and the Managing Directors.

- Perquisites include house rent allowance, leave travel allowance, gas & electricity, medical and premium for personal accident insurance, contribution to provident fund, superannuation fund and gratuity.
- The appointment of the Chairman, the Vice Chairman and the Managing Directors is for a period of five years.
- Number of shares held by Non- Executive Directors:

All Non-Executive Directors have disclosed their shareholding in the Company.

Details of Shareholding of Non-Executive Directors are as follows:

Director	Number of equity shares held on March 31, 2011
Ramnikbhai H. Ambani	Nil
Dr. Rajesh B. Parikh	100
Rooshikumar V. Pandya	Nil
Ashwin Lalbhai Shah	Nil
Dr. Lavkumar Kantilal	Nil
Indira J. Parikh	Nil

## 6. Shareholders'/Investors' Grievance Committee

The Company has a "Shareholders' / Investors' Grievance Committee" at the Board level to look into various issues relating to Shareholders' including non-receipt of dividend, Annual Report, shares after transfers and delays in transfer of shares. In addition, the Committee looks into other issues including status of system and procedures followed to track investor complaints and suggest measures for improvement from time to time.

- **Composition, meeting and attendance during the year**

The Shareholders' / Investors' Grievance Committee met four times during the year on April 30, 2010, July 12, 2010, October 11, 2010 and January 13, 2011.

Name of Shareholders'/ Investors' Grievance Committee member	Chairman/ member	Category	No. of meetings attended
Ashwin Lalbhai Shah	Chairman	I & N.E.D.	4
Rahul A. Patel	Member	M.D.	3
Amit D. Patel	Member	M.D.	4

## Details of shareholders' complaints received

During the year ended March 31, 2011, the Company received 20 complaints in the nature of non-receipt of share certificates, dividend warrants, Annual Reports, demat credit, etc. and there are no complaints outstanding as on March 31, 2011. Normally all complaints are disposed of within 30 days. As on March 31, 2011 no shares transfer request is pending for a period of more than 30 days.

- **Investors' grievance redressal cell**

The Company has designated Hitesh T. Mehta, Deputy Company Secretary as the compliance officer of the investors' grievance redressal cell. For the purpose of registering complaints by investors, the Company has designated an e-mail ID – share@sintex.co.in

## 7. Share and Debentures Transfer Committee

The Company has Share and Debentures Transfer Committee at the Board level to look into various issues relating to shareholders/investors including transfer and transmission of shares. Moreover, the Committee looks into other issue including status of dematerialization / rematerialisation of shares and debentures.

The Committee comprises of two members, Mr. Dinesh B. Patel, the Chairman of the Committee and Mr. Arun P. Patel, the other member of the Committee. The Quorum for a committee meeting is one member. L.M. Rathod, Company Secretary acts as the secretary of the Committee.

The Board of Directors has delegated the power of approving transfer of shares/ debentures to the above Directors and the Company Secretary. The Board has designated L. M. Rathod, Company Secretary, as the compliance officer, who is primarily responsible for coordinating with the Registrar & Transfer Agents of the Company in order to ensure the process of share transfer is streamlined.

The Committee meets twice a month to approve transfer of the shares & debentures. The Committee also approves the share certificates submitted for dematerialization. Twenty four such meetings were held during the year.

## 8. General body meetings

The details of last three Annual General Meetings are given as follows:

AGM	Financial year (ended)	Date	Time	Venue
77th	March 31, 2008	September 15, 2008	10.30 am	Registered office Kalol (N.G.) 382721
78th	March 31, 2009	October 12, 2009	10.30 am	Registered office Kalol (N.G.) 382721
79th	March 31, 2010	September 23, 2010	10.30 am	Registered office Kalol (N.G.) 382721

All the resolutions including special resolutions set out in the respective notices were passed unanimously by the shareholders. There were 2 special resolutions passed by the Company in the previous three Annual General Meetings.

## 9. Subsidiary monitoring framework

All the subsidiary companies of the Company are managed with their Boards having the rights and obligations to manage such companies in the best of their stakeholders and monitors the performance of such companies inter alia, by the following means :-

- Financial statements, in particular the investments made by the unlisted subsidiary companies, are reviewed quarterly by the Audit Committee of the Company.
- All minutes of the meetings of subsidiary companies are placed before the Company's Board regularly.
- A statement containing all significant transactions and arrangements entered into by the unlisted subsidiary companies is placed before the Company's Board.

The Company has no material non - listed Indian subsidiary Company and therefore, the requirement of inducting an Independent Director on the Board of Directors of the subsidiary Company does not arise.

## 10. Disclosure

### • Disclosure on materially significant related party transactions:

The required statements/disclosures with respect to the related party transactions, are placed before the Audit Committee, on a quarterly basis in terms of Clause 49(IV)(A) and other applicable laws for approval.

The Company's major related party transactions are generally with its subsidiaries and associates. The related party transactions are entered into based on consideration of various business exigencies such as synergy in operations, sectoral specialization, liquidity and capital resource of subsidiary and associates.

Further, for the financial year ended March 31, 2011 there were no material individual transactions with related parties or others, which were not an arms' length basis.

The related party transactions have been disclosed under Note 19 of Schedule 20 forming part of the annual accounts.

- The Company has a comprehensive and integrated risk management framework to effectively deal with uncertainty and associated risks and enhances the organisation's capacity to build value. The Risk Management framework of the Company has been designed with an objective to develop a risk culture that encourages identifying risks and responding to them with appropriate actions.
- During the last three years, there were no strictures or penalties by either SEBI or the Stock Exchanges or any statutory authority for non-compliance of any matter related to the capital markets.

## 11. Means of communication

Timely disclosure of consistent, comparable, relevant and reliable information on corporate financial performance is at the core of good governance.

**X Registrar or transfer agents**

M/s. Sharepro Services (India) Private Limited are appointed as Registrar and Transfer Agents (R & T) of your Company for both Physical and Demat Shares. The address is given below:

Sharepro Services (India) Pvt. Ltd  
416-420, 4th Floor, Devnandan Mall,  
Op. Sanyas Ashram, Ellisbridge,  
Ahmedabad-380 006  
Phone: (O) 91-79-26582381 to 84  
Fax: 91-79-26582385  
E- mail: sharepro.ahmedabad@shareproservices.com

**XI Share transfer system**

Share transfer requests received in physical form are registered within 15 days from the date of receipt and Demat requests are normally confirmed within an average of 15 days from the date of receipt.

- XII Reconciliation of Share Capital Audit**
- Pursuant to Clause 47( c) of the Listing Agreement with the Stock Exchanges, certificates, on half yearly basis, have been issued by a Company Secretary in Practice for due compliance of share transfer formalities by the Company.
  - A qualified practicing Company Secretary carried out a Reconciliation of Share Capital Audit to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital. The audit confirms that the total issued/ paid up capital is in agreement with the aggregate of the total number of shares in physical form and the total number of shares in dematerialized form (held with NSDL and CDSL).
  - Pursuant to SEBI (Depositories and Participants) Regulations 1996, certificates have also been received from a Company Secretary in Practice for dematerialization of the shares of the Company and for conducting a Reconciliation of Share Capital Audit on a quarterly basis for reconciliation of the share capital of the Company.

**XIII Distribution of Shareholding as on March 31, 2011:**

- XV Dematerialisation of shares and liquidity :** About 98% of the outstanding shares have been dematerialized as on March 31, 2011. Trading in Sintex Industries Limited shares is permitted only in dematerialised form as per notification issued by the Securities and Exchange Board of India. The equity shares of Sintex Industries Limited are actively traded shares on Bombay Stock Exchange Limited, National Stock Exchange of India Limited, and Ahmedabad Stock Exchange Limited.
- XVI Issue of non-convertible: Debentures of ₹350 crore** On June 1, 2010 & June 24, 2010, the Company issued 9.00% secured redeemable non-convertible debentures aggregating to ₹350 crore (₹150 crore and ₹200 crore respectively) to LIC of India on private placement basis to meet ongoing capital expenditure and long term working capital requirement.
- The Debentures would be redeemable in two tranches at the end of fifth year from the date of allotment. CARE assigned AA+ (Pronounced Double A Plus) rating to these debentures. This rating indicates a high degree of safety with regard to timely payment of interest and principal on the instrument. The aforesaid debentures are listed on the wholesale debt market of the Bombay Stock Exchange Limited.

<b>XVII Issue of zero coupon foreign currency convertible bonds</b>	In respect of US\$ 225 million zero coupons foreign currency convertible bonds (FCCBs) raised by the Company on March 12, 2008 during 2010-11, no FCCBs were converted into equity shares. The bondholders are entitled to apply for equity shares at a reseted price of ₹246.50 per share with a fixed rate of exchange on conversion of ₹40.53 to US\$ 1. On full conversion of FCCBs paid up capital of the Company will increase by 36994928 equity shares of ₹1 each amounting to ₹3.70 crore.
<b>XVIII Plant locations</b>	The Company's plastic plants are located at Kalol (N.G.), Bangalore, Kolkata, Daman, Baddi, Bhachau (Kutch), Nagpur, Nalagarh and Salem while its textile plant is located at Kalol (N.G.).
<b>XVIII Investors correspondence</b>	For any assistance regarding dematerialization of shares, shares transfers, transmissions, change of address, non-receipt of dividend and any other query relating to the shares of the Company, please write to the Share Transfer Agent of the Company.

## Declaration

It is hereby declared that the Company has obtained affirmation from all the Members of the Board and Senior Management that they have complied with the "Code of Conduct for Board of Members and Senior Management of the Sintex Industries Limited" for the year ended on March 31, 2011.

Place: Ahmedabad  
Date : April 30, 2011

*Managing Director*

## Auditors' Certificate on Corporate Governance

To the Members of  
**Sintex Industries Limited**

We have examined the compliance of the conditions of Corporate Governance by Sintex Industries Limited for the year ended on March 31, 2011, as stipulated in Clause 49 of the Listing Agreement of the said Company with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of the opinion of the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations made by the Directors and the Management, we certify that Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the above mentioned Listing Agreement.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Auditors' Report

To the Members of  
Sintex Industries Limited

1. We have audited the attached Balance Sheet of **SINTEX INDUSTRIES LIMITED** ("the Company") as at March 31, 2011, the Profit and Loss Account and the Cash Flow Statement of the Company for the year ended on that date, both annexed thereto. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. Without qualifying our opinion, we draw attention to Note 4 of Schedule 20 to these financial statements, regarding the Scheme of Arrangement (the "Scheme") approved by the Honourable High Court of Gujarat, as per which Scheme, in the year 2008-09 the Company earmarked ₹200 crore from Securities Premium Reserve to International Business Development Reserve Account (the "IBDR") and has adjusted against the earmarked balance of IBDR, ₹187.73 crore upto March 31, 2011 (including ₹46.47 crore during the year) being expenses of the nature as specified under the Scheme. The said accounting treatment has been followed as prescribed under the Scheme. The relevant Indian Generally Accepted Accounting Principles, in absence of such Scheme, would not permit the adjustment of such expenses against the Securities Premium Reserve / IBDR. Had the Company accounted for these expenses as per Generally Accepted Accounting Principles in India, instead of accounting for as per the Scheme, the balance of Securities Premium Reserve / IBDR would have been higher by ₹187.73 crore as at March 31, 2011 and profit after tax would have been lower by ₹46.47 crore for the year ended on March 31, 2011.
4. As required by the Companies (Auditor's Report) Order, 2003 (CARO) issued by the Central Government in terms of Section 227(4A) of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
5. Further to our comments in the Annexure referred to in paragraph 4 above, we report as follows:
  - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
  - d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in compliance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956;
  - e) in our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
    - i) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2011;
    - ii) in the case of the Profit and Loss Account, of the profit for the year ended on that date ; and
    - iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date
6. On the basis of the written representations received from the Directors as on March 31, 2011 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2011 from being appointed as a director in terms of Section 274(1)(g) of the Companies Act, 1956.

# Annexure to the Auditors' Report

(Referred to in paragraph 4 of our report of even date)

- |  |   |
|--|---|
| <p>i) Having regard to the nature of the Company's business/activities/result, clauses (x), (xiii) and (xiv) of CARO are not applicable.</p> <p>ii) In respect of its fixed assets:</p> <p>a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.</p> <p>b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.</p> <p>c) The fixed assets disposed off during the year, in our opinion, do not constitute a substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.</p> <p>iii) In respect of its inventory:</p> <p>a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.</p> <p>b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.</p> <p>c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.</p> <p>iv) The Company has neither granted nor taken any loans, secured or unsecured, to/from companies, firms or other parties listed in the Register maintained under Section 301 of the Companies Act, 1956.</p> | <p>v) In our opinion and according to the information and explanations given to us, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.</p> <p>vi) According to the information and explanation given to us, there were no contracts or arrangement referred to in Section 301 of the Companies Act, 1956 which were required to be entered in the register maintained under that section.</p> <p>vii) According to the information and explanations given to us, the Company has not accepted any deposit from the public during the year. In respect of unclaimed deposits, the Company has complied with the provisions of Sections 58A &amp; 58AA or any other relevant provisions of the Companies Act, 1956.</p> <p>viii) In our opinion, the internal audit functions carried out during the year by a firm of Chartered Accountants appointed by the Management have been commensurate with the size of the Company and the nature of its business.</p> <p>ix) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 209(1) (d) of the Companies Act, 1956 in respect of textile division and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete. To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records for any other product of the Company.</p> |
|--|---|

x) According to the information and explanations given to us in respect of statutory dues:

a) The Company has generally been regular in depositing undisputed dues, including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

b) There were no undisputed amounts payable in respect of Income-tax, Wealth Tax, Custom Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2011 for a period of more than six months from the date they became payable.

c) Details of dues of Value Added Tax and Central Sales Tax which have not been deposited as on March 31, 2011 on account of disputes are given below:

Statute	Nature of Dues	Forum where Dispute is pending	Period to which the amount relates	Amount involved (₹ in crores)
Central Sales Tax Act, 1956	Central Sales Tax	Joint Commissioner, Uluberia, West Bengal	2008-09	0.25
Central Sales Tax Act, 1956	Central Sales Tax	CTO Circle C, Jaipur, Rajasthan	2007-08 & 2008-09	0.43
Rajasthan Value Added Tax Act, 2003	Value Added Tax	CTO Circle C, Jaipur, Rajasthan	2007-08 & 2008-09	1.67

xi) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks, financial institutions and debenture holders.

xii) According to the information and explanations given to us, the Company has not given any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

xiii) In our opinion and according to the information and explanations given to us, the terms and conditions of the guarantees given by the Company for loans taken by others from banks and financial institutions are not prima facie prejudicial to the interests of the Company.

xiv) In our opinion and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.

xv) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet, we report that funds raised on short-term basis have not been used during the year for long-term investment.

xvi) The Company has not made preferential allotment of shares to parties and companies covered in the Register maintained under Section 301 of the Companies Act, 1956.

xvii) According to the information and explanations given to us, during the period covered by our audit report, the Company had issued 3500 - 9% Secured Redeemable Non-Convertible Debentures of ₹10,00,000 each. The Company has created security in respect of the debentures issued.

xviii) The Management has disclosed the end use of money raised by FCCB issue as per Note no.5 of schedule-20 and we have verified the same.

xix) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.

# Schedules forming part of the Accounts

## Schedule - 19 | SIGNIFICANT ACCOUNTING POLICIES

### 1) Accounting Convention

The financial statements are prepared on historical cost basis and based on accrual method of accounting and in accordance with applicable Accounting Standards.

### 2) Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities as on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognised in the period in which the results are known / materialised.

### 3) Fixed Assets

Fixed assets are stated at historical cost net of cenvat, inclusive of financing costs till commencement of commercial production and less accumulated depreciation.

### 4) Impairment of Assets

The Company evaluates impairment losses on the fixed assets whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If such assets are considered to be impaired, the impairment loss is then recognised for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purpose of assessing impairment, assets are grouped at the smallest level for which there are separately identifiable cash flows.

### 5) Expenditure during Construction Period

In case of new projects/expansion of existing projects, revenue expenditure incurred during construction/pre-operative period in so far as such expenses relate to the period prior to the commencement of commercial production are treated as part of the project cost and capitalised.

### 6) Intangible Assets

Certain technical know how and software cost are capitalised and recognised as Intangible Assets in terms of Accounting Standard -26 "Intangible Assets" based on materiality, accounting prudence and significant economic benefits expected to flow there from for a period longer than one year.

### 7) Depreciation

Depreciation on Buildings, Plant and Machinery is calculated on straight line basis at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956. Depreciation on Furniture, Fixtures, Office Equipments, Borewell and Vehicles is calculated on written down value basis at the rates and in the manner specified in Schedule XIV of the Companies Act, 1956.

Intangible assets are amortised over a period of five years.

### 8) Borrowing Cost

Interest and other costs in connection with the borrowings of the funds to the extent related/attribution to the acquisition /construction of qualifying fixed assets are capitalised upto the date when such assets are ready for their intended use and other borrowing costs are charged to the Profit and Loss Account.

### 9) Investments

Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary in nature. Current Investments are stated at lower of cost or fair value.

### 10) Inventories

Inventories of finished goods, raw materials, process stock and property under development are carried at lower of cost and net realisable value. Fuel and stores & spare parts are carried at or below cost. Cost for raw materials, fuel, stores & spare parts are ascertained on weighted average /FIFO basis. Cost for finished goods and process stock is ascertained on full absorption cost basis and includes excise duty. Cost of property under development includes cost of land, material, labour, manufacturing and other overheads.

### 11) Revenue Recognition

Revenue is recognised based on the nature of activity, when consideration can be reasonably measured and there exists reasonable certainty of its recoverability.

Revenue from sale of goods is recognised when substantial risk and rewards of ownership are transferred to the buyer under the terms of the contract.

Sales value is net of discount and inclusive of excise duty and sales tax but does not include other recoveries such as handling charges, transport, octroi, etc.

### 12) Cenvat credit

Cenvat credit is accounted for on accrual basis on purchase of materials.

### 13) Foreign Currency Transactions

Transactions in foreign currency are recorded at the exchange rates prevailing at the time the transactions are effected.

Monetary items denominated in foreign currency at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the differences between the year end rates and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account for the period in which the difference takes place.

Non monetary foreign currency items are carried at historical cost.

### 14) Prior Period Expenses/Income

Material items of prior period expenses/income are disclosed separately.

# Schedules forming part of the Accounts

## Schedule - 19 SIGNIFICANT ACCOUNTING POLICIES

### 15) Employees Benefits

#### *Defined Contribution Plan*

The Company's contributions paid / payable for the year to Provident Fund and ESIC are recognised in the Profit and Loss Account.

#### *Defined Benefit Plan*

The Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognised on a straight line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognised immediately in the Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

### 16) Employee Stock Option Scheme

The Company has formulated Sintex Industries Limited Employee Stock Option Scheme, 2006 (ESOS) in accordance with SEBI (Employee Stock Option and Employee Stock Purchase Scheme) Guidelines, 1999. The ESOS is administered through a Trust. The accounting of employees share based payment plans administered through the Trust is carried out in terms of "Guidance Note on Accounting for Employee Share-based Payments" issued by the Institute of Chartered Accountants of India. In accordance with SEBI Guidelines, the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight line basis over the vesting period.

### 17) Miscellaneous Expenditure

Share Issue Expenses incurred upto March, 2006 are amortised over a period of 5 years as per the prevailing provisions of Section 35-D of the Income Tax Act, 1961.

### 18) Accounting for Tax

Current tax and Fringe Benefit tax are accounted on the basis of estimated taxable income for the current accounting period and in accordance with the provisions of the Income Tax Act, 1961. Deferred tax resulting from "Timing Differences" between book and taxable profit is accounted for using the tax rates that have been enacted or substantively enacted on the Balance Sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future.

### 19) Leases

Assets acquired under lease where the Company has substantially all the risks and rewards incidental to ownership are classified as finance leases. Such assets are capitalised at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Assets acquired on leases where a significant portion of the risks and rewards incidental to ownership is retained by the lessor are classified as Operating Lease. Lease rentals are charged to the Profit and Loss Account on accrual basis.

### 20) Redemption Premium of Foreign Currency Convertible Bonds (FCCBs)

Premium payable on redemption of FCCBs is fully provided and charged to Securities Premium Account in the year of issue.

### 21) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

### 22) Financial Derivatives

In respect of derivative contracts, premium paid and gains/ losses on settlement are charged to Profit and Loss Account. Losses arising on the restatement of the outstanding derivative contracts as at the year end by marking them to market are charged to the Profit and Loss Account.

## Schedule - 20 NOTES FORMING PART OF ACCOUNTS

(₹ in crore)

	2010-11	2009-10
1) Previous year's figures have been regrouped / reclassified, wherever necessary to make them comparable with the figures of the current year financial statements.		
2) Estimated amount (net of advances) of contracts remaining to be executed on capital accounts and not provided for	—	—
3) Contingent liabilities in respect of :-		
a) Amount of claims of certain retrenched employees for re-instatement with back wages	Amount not ascertained	Amount not ascertained

d) Disputed demand not acknowledged as debt against which the Company has preferred appeal		
Income Tax	12.97	11.71
Sale Tax	2.35	—

- 4) The Scheme of Arrangement (the "Scheme") between the Company and its equity Shareholders was approved by the Board of Directors vide its resolution dated June 30, 2008, by the Shareholders in their Court convened meeting held on September 15, 2008 and by the Honourable High Court of Gujarat vide its order dated March 25, 2009. The Appointed Date of Scheme was April 1, 2008. The Company filed the Order with the Registrar of Companies, Gujarat on April 14, 2009 within the time specified in the order and the Scheme had been given effect to in

# Schedules forming part of the Accounts

## Schedule - 20 | NOTES FORMING PART OF ACCOUNTS

the previous year's financial statements. Accordingly, as per the Scheme, from the said date, the Company earmarked ₹200 crore from Securities Premium Reserve to International Business Development Reserve Account (the "IBDR").

As per the Scheme, the balance of IBDR so earmarked is available towards such expenses as specified under the Scheme. Accordingly, during the year, the Company has adjusted against the earmarked balance of IBDR an amount of ₹46.47 crore (previous year ₹10.53 crore) being such specified expenses as per the Scheme. The said accounting treatment has been followed as prescribed under the Scheme and it has no impact on the profit for the year, as per the Scheme.

- 5) The Company issued Zero Coupon Foreign Currency Convertible Bonds ("FCCBs") aggregating to US\$ 225 million on March 12, 2008 for financing foreign currency expenditure for expansion plans in existing businesses, investments in overseas joint ventures and/or wholly owned subsidiaries, international acquisitions and others.

As per the terms & conditions of the Offering Circular dated March 12, 2008, the Conversion Price of FCCBs is reset at ₹246.50 from ₹290.00 per equity share of ₹1 each on March 12, 2010.

The proceeds of the above issue have been utilised on an overall basis as set out below:

Particulars	US\$ in million	₹ in crore
FCCB issue expenses directly paid	1.01	4.04
Investment in overseas subsidiary	122.58	543.96

Unutilised FCCB proceeds amounting to ₹505.26 crore (previous year ₹737.45 crore) have been invested in fixed deposits and ₹1.85 crore (previous year ₹7.63 crore) have been lying in Current Account with banks at the year end.

# Schedules forming part of the Accounts

## Schedule - 20 NOTES FORMING PART OF ACCOUNTS (Contd..)

### 8) ESOP

- i) The Company initiated "the Sintex Industries Limited Employee Stock Option Scheme, 2006" (the "Scheme") for all eligible employees in pursuance of the special resolution approved by the Shareholders in the Extraordinary General Meeting held on February 24, 2006. The Scheme covers all directors and employees (except promoters or those belong to the promoters' group) of the Company and directors and employees of all its subsidiaries. Under the Scheme, the Compensation Committee of the Board (the "Committee") administers the Scheme and grants stock options to eligible directors or employees of the Company and its subsidiaries. The Committee determines the employees eligible for receiving the options and the number of options to be granted subject to overall limit of 10,000 options per annum for each employee. The vesting period is at the expiry of thirty six months from the date of the grant of option. The Committee has decided the exercise price of ₹91.70 per equity share of ₹2 each as per clause 8.1 of SEBI (Employees Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.
- ii) The Company has given loan to Sintex Employees Welfare Trust (ESOP Trust) towards subscribing 10,00,000 equity shares of the Company at ₹91.70 per equity share of ₹2 each aggregating to ₹9.17 crore. On August 21, 2006, the Company issued 10,00,000 equity shares of the face value of ₹2 each to ESOP Trust at ₹91.70 per equity share.
- iii) During the year, each equity share of ₹2 each has been sub-divided into two equity shares of ₹1 each. Hence ESOP Trust holds 20,00,000 equity shares of the face value of ₹1 each at ₹45.85 per equity share.

The Company granted Nil equity share (previous year Nil equity share) options to eligible employees at ₹45.85 per equity share of ₹1 each. The details of outstanding options are as under:

Particulars	2010-11	2009-10
Options outstanding as at beginning of the year	2000000	2000000
Add: Options granted during the year	Nil	Nil
Less: Options exercised during the year	77000	Nil
Less: Options forfeited during the year	Nil	Nil
Options outstanding at the end of the year	1923000	2000000

- iv) During the year, 77,000 equity shares of ₹1/- each have been allotted to the employees on exercise of options granted to them.

### 9) Employee Benefits

#### A) Defined Benefit Plans

- i) Actuarial gains and losses in respect of defined benefit plans are recognised in the Profit & Loss Account.
  - ii) The Defined Benefit Plan comprises of Gratuity and Leave Encashment
- Gratuity is a benefit to an employee based on 15 days last drawn basic salary including dearness allowance (if any) for each completed year of continuous service with part thereof in excess of six months.
- The plan is funded through Sintex Industries Limited Employees Gratuity Trust Fund.
- Leave Encashment is a benefit to an employee based on the number of leave days accrued to the credit of employee subject to a maximum limit as per the rules of the Company. The same is calculated on the basis of last drawn basic monthly salary including dearness allowance (if any). The plan is unfunded.

# Auditors' Report on Consolidated Financial Statement

To the Board of Directors of,  
Sintex Industries Limited

1. We have audited the attached Consolidated Balance Sheet of **SINTEX INDUSTRIES LIMITED** ("the Company"), and its subsidiaries (the Company and its subsidiaries constitute "the Group") as at March 31, 2011, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement of the Group for the year ended on that date, both annexed thereto. The Consolidated Financial Statements include investments in an associate accounted on the equity method in accordance with Accounting Standard 23 (Accounting for Investments in Associates in Consolidated Financial Statements) as notified under the Companies (Accounting Standards) Rules, 2006. These financial statements are the responsibility of the Company's Management and have been prepared on the basis of the separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. Without qualifying our opinion, we draw attention to Note 4 of Schedule 20 to these financial statements, regarding the Scheme of Arrangement (the "Scheme") approved by the Honourable High Court of Gujarat, as per which Scheme, in the year 2008-09 the Company earmarked ₹200 crore from Securities Premium Reserve to International Business Development Reserve Account (the "IBDR") and has adjusted against the earmarked balance of IBDR, ₹187.73 crore upto March 31, 2011 (including ₹46.47 during the year) being expenses of the nature as specified under the Scheme. The said accounting treatment has been followed as prescribed under the Scheme. The relevant Indian Generally Accepted Accounting Principles, in absence of such Scheme, would not permit the adjustment of expenses against the Securities Premium Reserve / IBDR. Had the Company accounted for these expenses as per Generally Accepted Accounting Principles in India, instead of accounting for as per the Scheme, the balance of Securities Premium Reserve / IBDR would have been higher by ₹187.73 crore as at March 31, 2011 and profit after tax would have been lower by ₹46.47 crore for the year ended on March 31, 2011.
4. We did not audit the financial statements of certain subsidiaries, whose financial statements reflect total assets of ₹1,218.15 crore as at March 31, 2011, total revenues of ₹1,486.31 crore and net cash outflows amounting to ₹4.83

crore for the year ended on that date and of an associate whose financial statements reflect the Group's share of profit of ₹1.89 crore for the year then ended, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts included in respect of these subsidiaries is based solely on the reports of the other auditors.

5. We have relied on the unaudited financial statements of three subsidiaries, whose financial statements reflect total assets of ₹141.27 crore as at March 31, 2011, total revenue of ₹ NIL crore and cash inflows amounting to ₹16.39 crore for the year ended on that date as considered in the Consolidated Financial Statements. These unaudited financial statements have been compiled and certified by the management and have not been subject to audit by independent auditors. Our opinion, in so far as it relates to the amounts included in respect of these three subsidiaries is based solely on these financial statements certified by the management.
6. We report that the Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard 21 (Consolidated Financial Statements) and Accounting Standard 23 (Accounting for Investment in Associates in Consolidated Financial Statements) as notified under the Companies (Accounting Standards) Rules, 2006.
7. Based on our audit and on consideration of the separate audit reports on individual financial statements of the Company, its aforesaid subsidiaries and an associate and on the other financial information of the components and accounts certified by the management as explained in paragraph 5 above and to the best of our information and according to the explanations given to us, in our opinion, the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2011;
  - b) in the case of the Consolidated Profit and Loss Account, of the profit of the Group for the year ended on that date; and
  - c) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

### Schedule - 19 SIGNIFICANT ACCOUNTING POLICIES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### 1) Principles of Consolidation:

The consolidated financial statements relate to Sintex Industries Limited ("the Company") and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses in accordance with Accounting Standard-21 - "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India.
- The operations of foreign subsidiaries are not considered as an integral part of the operations of the parent. Hence all revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the "Foreign Currency Translation Reserve".
- The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be.

## Schedules forming part of the Consolidated Accounts

### Schedule - 19 | SIGNIFICANT ACCOUNTING POLICIES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

- d) Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
  - e) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the company's shareholders.
  - f) Investment in Associate Companies has been accounted under the equity method as per Accounting Standard-23 - "Accounting for Investments in Associates in Consolidated Financial Statements".
  - g) The Company accounts for its share in change in net assets of the associates, post acquisition, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Profit and Loss account to the extent such change is attributable to the associates' Profit and Loss account and through its reserves for the balance, based on available information.
  - h) The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.
  - i) As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate Financial Statements.
  - j) Investments made by the parent company in subsidiary companies subsequent to the holding-subsidiary relationship coming into existence are eliminated while preparing the consolidated financial statement.
  - k) Intragroup balances and intragroup transactions are eliminated to the extent of share of the parent company in full.
  - l) Unrealised profits on account of intra group transactions have been accounted for depending upon whether the transaction is an upstream or a downstream transaction.
- 2) Investments other than in subsidiaries are accounted as per Accounting Standard-13 on "Accounting for Investments".
- 3) **Other significant accounting policies:**  
These are set out under "Significant Accounting Policies" as given in the Unconsolidated Financial Statements of Sintex Industries Limited.

3) <b>Contingent liabilities in respect of :-</b>		
a) Amount of claims of certain retrenched employees for re-instatement with back wages	Amount not ascertained	Amount not ascertained
b) Corporate guarantees given to Banks/Institutions	9.62	14.88
c) Performance guarantees given to customers by bankers	22.88	39.65
d) Letter of Credit facilities provided by bankers	3.84	–
e) Disputed demand not acknowledged as debt against which the Company has preferred appeal		
i) Income Tax	12.97	11.89
ii) Excise Duty	1.47	1.47
iii) Custom Duty	0.28	0.28
iv) Sales Tax	3.81	2.21
v) Others	0.01	0.01

- 4) The Scheme of Arrangement (the "Scheme") between the Company and its equity Shareholders was approved by the Board of Directors vide its resolution dated June 30, 2008, by the Shareholders in their Court convened meeting held on September 15, 2008 and by the Honourable High Court of Gujarat vide its order dated March 25, 2009. The Appointed Date of Scheme was April 1, 2008. The Company filed the Order with the Registrar of Companies, Gujarat on April 14, 2009 within the time specified in the order and the Scheme had been given effect to in the previous year's financial statements. Accordingly, as per the Scheme, from the said date, the Company earmarked ₹200 crore from Securities Premium Reserve to International Business Development Reserve Account (the "IBDR").

As per the Scheme, the balance of IBDR so earmarked is available towards such expenses as specified under the Scheme. Accordingly, during the year, the Company has adjusted against the earmarked balance of IBDR an amount of ₹46.47 crore (previous year ₹10.53 crore) being such specified expenses as per the Scheme. The said accounting treatment has been followed as prescribed under the Scheme and it has no impact on the profit for the year, as per the Scheme.

- 5) The Company issued Zero Coupon Foreign Currency Convertible Bonds ("FCCBs") aggregating to US\$ 225 million on March 12, 2008 for financing foreign currency expenditure for expansion plans in existing businesses, investments in overseas joint ventures and/or wholly owned subsidiaries, international acquisitions and others.

As per the terms and conditions of the Offering Circular dated March 12, 2008, the Conversion Price of FCCBs is reset at ₹246.50 from ₹290.00 per equity share of ₹1 each on March 12, 2010.

The proceeds of the above issue have been utilised on an overall basis as set out below:

Particulars	US\$ in million	₹ in crore
FCCB issue expenses directly paid	1.01	4.04
Investment in overseas subsidiary	122.58	543.96

Unutilised FCCB proceeds amounting to ₹505.26 crore (previous year ₹737.45 crore) have been invested in fixed deposits and ₹1.85 crore (previous year ₹7.63 crore) have been lying in Current Account with banks at the year end.

- 6) The foreign subsidiaries have provided depreciation on all the assets on straight line basis over the estimated useful life of the assets. The French subsidiaries have provided the liabilities for the retirement benefits as per the local laws applicable to them. The impact of different accounting policies followed by the subsidiaries, in the opinion of the management, would not be significant in the context of the Consolidated Financial Statements.

- 7) **The Profit and Loss Account includes:**

(₹ in crore)

	2010-11	2009-10

Perquisites in cash or in kind	1.12	0.83
<b>Total</b>	<b>6.85</b>	<b>4.73</b>
<b>Grand Total</b>	<b>12.36</b>	<b>7.80</b>

## Schedules forming part of the Consolidated Accounts

### Schedule - 20 | NOTES FORMING PART OF ACCOUNTS (Contd..)

#### 8) ESOP

- i) The Company initiated "the Sintex Industries Limited Employee Stock Option Scheme, 2006" (the "Scheme") for all eligible employees in pursuance of the special resolution approved by the Shareholders in the Extraordinary General Meeting held on February 24, 2006. The Scheme covers all directors and employees (except promoters or those belong to the promoters' group) of the Company and directors and employees of all its subsidiaries. Under the Scheme, the Compensation Committee of the Board (the "Committee") administers the Scheme and grants stock options to eligible directors or employees of the Company and its subsidiaries. The Committee determines the employees eligible for receiving the options and the number of options to be granted subject to overall limit of 10,000 options per annum for each employee. The vesting period is at the expiry of thirty six months from the date of the grant of option. The Committee has decided the exercise price of ₹91.70 per equity share of ₹2 each as per clause 8.1 of SEBI (Employees Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.
- ii) The Company has given loan to Sintex Employees Welfare Trust (ESOP Trust) towards subscribing 10,00,000 equity shares of the Company at ₹91.70 per equity share of ₹2 each aggregating to ₹9.17 crore. On August 21, 2006, the Company issued 10,00,000 equity shares of the face value of ₹2 each to ESOP Trust at ₹91.70 per equity share.
- iii) During the year, each equity share of ₹2 each has been sub-divided into two equity shares of ₹1 each. Hence ESOP Trust holds 20,00,000 equity shares of the face value of ₹1 each at ₹45.85 per equity share.

The Company granted Nil equity share(previous year Nil equity share) options to eligible employees at ₹45.85 per equity share of ₹1 each. The details of outstanding options are as under:

Particulars	2010-11	2009-10
Options outstanding as at beginning of the year	2000000	2000000
Add: Options granted during the year	Nil	Nil
Less: Options exercised during the year	77000	Nil
Less: Options forfeited during the year	Nil	Nil
Options outstanding at the end of the year	1923000	2000000

- iv) During the year, 77,000 equity shares of ₹1 each have been allotted to the employees on exercise of options granted to them.

#### 9) Employee Benefits

##### A) Defined Benefit Plans

- i) Actuarial gains and losses in respect of defined benefit plans are recognised in the Profit and Loss Account.
- ii) The Defined Benefit Plan comprises of Gratuity and Leave Encashment  
Gratuity is a benefit to an employee based on 15 days last drawn basic salary including dearness allowance (if any) for each completed year of continuous service with part thereof in excess of six months. The plan is funded through Sintex Industries Limited Employees Gratuity Trust Fund.

Leave Encashment is a benefit to an employee based on the number of leave days accrued to the credit of employee subject to a maximum limit as per the rules of the Company. The same is calculated on the basis of last drawn basic monthly salary including dearness allowance (if any). The plan is unfunded.
