Sintex Linen Yarns - LINITAL  
Rooted in nature, reimagined for the world

# A New Benchmark in Linen Excellence

Step into the journey of Sintex Linen – where timeless elegance meets cutting-edge innovation.

Born from nature and perfected by expertise, our linen yarns are derived from the finest flax. They are not just products, but experiences woven with purpose.

With **over 7 years of expertise**, Sintex blends craftsmanship with forward thinking design & customer trust.

Our linen journey embraces sustainability, softness, and strength – crafted for the creators of tomorrow.

## Capacity That Matches Your Ambition

| Installed Spindles     | Count Range        | Daily Capacity             |
